## Introduction

**This booklet summarizes the main non-aeronautical charges for Cork Airport.**

- The charges in this document apply from January 1<sup>st</sup> 2026 to December 31<sup>st</sup> 2026.
- All charges in this booklet are set out in euro.
- All charges in this booklet are annual charges unless stated otherwise.
- Value Added Tax will be applied to charges at the prevailing rates of Irish VAT. Charges listed in this booklet exclude VAT unless stated otherwise.
- All users must observe Cork Airport's Terms and Conditions of operation at the airport. Specifically, users are obliged to abide by the specified Financial, Insurance and Information terms. In particular, where specified it will be necessary to provide a valid purchase order in advance.
- Details of Cork Airport's airport charges as well as the Terms and Conditions of operation may be found on the airport charges pages of the Cork Airport website ([www.corkairport.com](http://www.corkairport.com)).
- Information on charges not listed in this document such as property rentals can be obtained on request from Cork Airport.
- *Inter alia*, Sections 39, 40 and 41 of the Air Navigation and Transport (Amendment) Act 1998 apply.
- The company reserves the right to vary the terms, conditions and charges at any time. A minimum of 1 calendar months' notice on the Cork Airport's website ([www.corkairport.com](http://www.corkairport.com)) will normally apply.

**Operational**

**1.1 Access Permits:**

All personnel working at the airport are required to hold a valid airport identity/security card. A permit is valid for 29 months and an escorted pass is valid up to a maximum of 5 days.

| Service                  | Charge € | Description |
|--------------------------|----------|-------------|
| Permanent Card           | 30.00    | Per card    |
| Replacement of lost Card | 45.00    | Per card    |
| Reactivation of Card     | 25.00    | Per card    |

Where card replacement is necessary due to wear and tear, and the original card is returned, no charge will be levied for card re-issue.

Note that companies operating at the airport may specify that the charge for replacement of a lost card must be paid by the cardholder.

For compliance reasons Cork Airport, may insist that a fully refundable deposit be paid at the time of issuance of the access permit. The deposit will be returned when the access permit is physically returned to the Cork Airport - Access & ID Centre. This should happen within 1 month after the contract of employment between the employee and the employer is terminated.

| Service               | Charge € | Description |

Notes:

1. Customers are responsible for the maintenance of their own equipment.
2. The Communications Cabling Charges do not apply to analogue and digital lines from Cork Airports PABX as these services are charged at different rates- see telephony services.
3. An installation charge will apply for each RJ45 outlet. This charge is for:
  - a) A new outlet in an area where there is no structured cabling system in place.

- b) An additional RJ45 outlet over and above the normal outlet density where there is a structured cabling system in operation.
- 4. Where ducts are not in place or where duct capacity is not available additional charges will apply. These charges will be agreed with the customer following a site survey.
- 5. Cat 5 link is the cost of providing a UTP patch lead(s) from customers network equipment to a wall/floor port.

**Supplementary AOS Client Access**

To supplement the standard Airport Operations Management System, AOS client PC's are provided to customers on the basis that they will input information into the system. Where customers input information into AOS, the first two AOS client PC's are provided free of charge to offset this. For any additional PC clients required (in excess of 2), or if customers require AOS workstations for information only the annual charge as outlined below applies for each additional PC requested by a client. This optional service includes the provision, installation, user training and maintenance of the system.

| Service                               | Rental € Charge Per Annum or part thereof | Description   |
|---------------------------------------|---|---------------|
| <b>Provision of additional AOS PC</b> | <b>€2,500</b>                             | <b>Per PC</b> |
