Connecting Cork to over 40 destinations with scheduled services & over 20 destinations with charter flights.

Welcome to the Cork Airport Summer 2008 timetable.

Cork Airport reached new heights in 2007 serving a record number of 3.2 million passengers.

This summer gives our customers even more choice in the range of destinations directly served from Cork Airport.

Along with extra capacity to existing sun destinations, we've added Santorini with XL.com as a new summer sun destination this year. Santorini is unmistakably Greek. The island is postcard-pretty, with distinctive blue and white buildings atop a soaring, moon-shaped crescent of layered cliffs. The winding cobbled back streets of Thira are lined with bohemian boutiques, stylish shops, restaurants and bars, many with views of the volcanic crater. Beaches on the island are unique - either coarse black volcanic sand, or red sand receding into deep blue waters. Culture vultures will delight in Akrotiri for its Pompeii-like ruins - a Minoan town which is currently being excavated from volcanic ash. For a special holiday, Santorini is the spot this summer!

New scheduled destinations from our Airline partners this summer include:

- Brest** - Aer Arann
- Carcassonne** - Ryanair
- Jersey** - Aer Lingus
- La Rochelle** - Aer Arann
- Plymouth** - Air Southwest

Cork Airport offers direct access to over 40 destinations on our wide range of scheduled flights and a further 20 destinations on the range of Summer Sun charter flights we're proud to offer this year.

The new Cork Airport terminal offers a greater range of facilities for you to enjoy and relax before your flight. It offers us the opportunity to deliver a quality airport travel experience to the best international standards that our staff, as well as the people of Cork, Munster and the Southern region can justifiably be proud of.

We thank you for your continued support and look forward to serving you again soon.

- Passengers are advised to carry just ONE piece of hand luggage.

- Please remember to remove all sharp items from your hand luggage. Cork Airport Security Staff will ask you to surrender all sharp items. Items most frequently confiscated include: scissors, tweezers, tools, knitting needles, knives, darts, household cutlery, razor blades, etc.
