Application for Ground Handling at Cork Airport

SECTION 2 - GROUND HANDLING CATEGORIES

PLEASE INDICATE THE GROUND HANDLING ACTIVITIES FOR WHICH YOU HAVE SOUGHT APPROVAL UNDER THE EUROPEAN COMMUNITIES (ACCESS TO THE GROUND HANDLING MARKET AT COMMUNITY AIRPORTS REGULATIONS, 1998 (S.I. No. 505 1998))

SCHEDULE 1			
		SELF	THIRD PARTY
1. GROUND ADMINISTRATION AND SUPERVISION			
1.1	representation and liaison services with local authorities or any other entity, disbursements on behalf of the airport user and provision of office space for its representatives		
1.2	load control, messaging and telecommunications		
1.3	handling, storage and administration of unit load devices		
1.4	any other supervision services before, during or after the flight and any other administrative service requested by the airport user		
2. PASSENGER HANDLING			
	any kind of assistance to arriving, departing, transfer or transit passengers, including checking tickets and travel documents, registering baggage and carrying it to the sorting area		
3. FREIGHT AND MAIL			
3.1	for freight handling or related documents, customs procedures and implementation of any security procedure agreed between the parties or required in the circumstances		
3.2	for mail: handling of related documents and implementation of any security procedure between the parties or required by the circumstances		
4. AIRCRAFT SERVICES			
4.1	the external and internal cleaning of the aircraft and the toilet and water services		
4.2	the cooling and heating of the cabin, the removal of snow and ice, the de-icing of the aircraft		
4.3	the rearrangement of the cabin with suitable cabin equipment, the storage of this equipment		

Application for Ground Handling at Cork Airport

		SELF	THIRD PARTY
5. AIRCRAFT MAINTAINANCE			
5.1	routine services performed before flight		
5.2	non-routine services requested by the airport user		
5.3	the provision and administration of spare parts and suitable equipment		
5.4	the request for or reservation of a suitable parking and/or hangar space		
6. FLIGHT OPERATIONS AND CREW ADMINISTRATION			
6.1	preparation of the flight at the departure airport or at any other point		
6.2	in-flight assistance, including re-dispatching if needed		
6.3	post-flight activities		
6.4	crew administration		
7. SURFACE TRANSPORT			
7.1	the organisation and execution of crew, passenger, baggage, freight and mail transport between different terminals of the same airport, but excluding the same transport between the aircraft and any other point within the perimeter of the same airport		
7.2	any special transport requested by the airport user		
8. CATERING SERVICES			
8.1	liaison with suppliers and administrative management		
8.2	storage of food and beverages and of the equipment needed for their preparation		
8.3	cleaning of this equipment		
8.4	preparation and delivery of equipment as well as of bar and food supplies		

Application for Ground Handling at Cork Airport

SCHEDULE 2			
		SELF	THIRD PARTY
1. BAGGAGE HANDLING			
	handling baggage in the sorting area, sorting it, preparing it for departure, loading it onto and unloading it from the devices designed to move it from the aircraft to the sorting area and vice versa, as well as transporting baggage from the sorting area to the reclaim area		
2. FREIGHT AND MAIL HANDLING			
	the physical handling of freight and mail whether incoming, outgoing or being transferred, between the air terminal and the aircraft		
3. RAMP HANDLING			
3.1	marshalling the aircraft on the ground at arrival and departure		
3.2	assistance to aircraft parking and provision of suitable devices		
3.3	communication between the aircraft and the airside supplier of services		
3.4	the loading and unloading of the aircraft, including the provision and operation of suitable means, as well as the transport of crew and passengers between the aircraft and the terminal, and baggage transport between the aircraft and the terminal		
3.5	the provision and operation of appropriate units for engine starting		
3.6	the moving of the aircraft at arrival and departure, as well as the provision and operation of suitable devices		
3.7	the transport, loading onto and unloading from the aircraft of food and beverages		
4. FUEL AND OIL HANDLING			
4.1	the organisation and execution of fuelling and defuelling operations, including the storage of fuel and the control of the quality and quantity of fuel deliveries		
4.2	The replenishing of oil and other fluids		

SECTION 3 - DOCUMENTATION AND INFORMATION REQUIRED

PLEASE NOTE THAT CERTAIN ITEMS ARE REQUIRED IN ACCORDANCE WITH SECTION 3.A) OF THE GRANT OF APPROVAL FROM THE Irish Aviation Authority (IAA)

1. Grant of Approval from Irish Aviation Authority (IAA)

Please provide a copy of Grant of Approval issued by Irish Aviation Authority (IAA) for the ground handling services that you wish to engage in.

2. Ground Handling Requirements Form

Please complete the attached form in full.

3. Administration Charge

All ground handling companies are subject to an administration charge. New ground handling companies entering the market in 2005 will be charged and Initial Administration Charge. Existing ground handling companies will be liable to Renewal charge for 2005.

Initial Administration Charge	550
Renewal Charge	275

Please forward payment in full for Administration Charges as soon as the invoice is issued – Charge details are available in the Miscellaneous Fees and Charges Booklet on the Cork Airport website.

<http://www.corkairport.com/do-business-with-us/aviation-marketing>

4. Insurance Cover

Please complete the self certification insurance form attached to confirm that Idaadaa plc-Cork Airport has been noted as co-insured on your insurance policies.

5. Accident and Emergency Plan

Please provide an Accident and Emergency Plan for the Airport in respect of your operations. You are required to be in a position to implement this plan as required. You shall also be required to provide at your own cost adequate resources for participation in emergency exercise as arranged and co-ordinated by Cork Airport and at intervals determined by Cork Airport.

6. Training

Application for Ground Handling at Cork Airport

Please ensure that your staff undergo appropriate training to ensure the proper and safe discharge of their functions prior to commencing work at the Airport.

To comply with Airside Safety Awareness Training and Airside Driving, if applicable, one of the three options listed below must be completed:

1. Training Manual completed in compliance with checklists provided by Cork Airport Airside Training.
2. Train the Trainer – carried out by Cork Airport Airside Training Unit
3. Staff Trained by Cork Airport Airside Training Unit.

There is a charge associated with options 2 and 3 – details are available in the Miscellaneous Fees and Charges Booklet on the Cork Airport website.

<http://www.corkairport.com/do-business-with-us/aviation-marketing>

7. Vehicles and Equipment

Please provide a detailed list of all equipment proposed in respect of your operation at Cork Airport. Please ensure that only equipment essential to operations undertaken at the airport be operated on the airside. Please identify the essential equipment which requires airside parking.

A charge is levied for processing airside vehicle permits – details are available in the Miscellaneous Fees and Charges Booklet on the Cork Airport website.
